

ASE Retrospective Panel

Michael Lowry, Chair
NASA Ames

Panel members

- Michael Goedicke - Architecture
- Andrew Ireland - Automated Reasoning
- Bernd Fischer - Synthesis
- Yves Ledru - Specification
- Willem Visser - Testing
- Robert Hall - Verification and Validation
- Audience

Goals

- Examine intellectual threads within ASE topics using influential papers as landmarks.
- What has been the influence of the ASE conference and ASE papers?
- What are the characteristics of an influential ASE paper? Any difference with influential papers in other conferences?
- Inspire the audience to write future influential ASE papers !
